## **Chorus II Portfolios mark their 3<sup>rd</sup> anniversary and \$ 6 billion of assets under management - November 28, 2014**

November 28, 2014 marked the 3 year anniversary of Chorus II Portfolios. The event also coincided with a milestone for this investment solution that surpassed \$ 6 billion of assets under management during that very same week. The reputation and performance of these portfolios since they were introduced has earned them the ranking of 8th largest investment solution in Canada in their category <sup>1</sup>. We would like to thank all the clients who hold these investments for this vote of confidence.

Intended exclusively for clients who have \$100,000 and more to invest, Chorus II Portfolios are an investment solution that lets you focus on the things you love. With one investment, you'll get the expertise and knowledge you're looking for. Now all you have to do is enjoy life.

With Chorus II Portfolios, you can enhance your investment strategy through:

- Tax efficiency <sup>2</sup>
- Dynamic management
- Competitive fees
- Income flexibility
- Skillful diversification
