## CLOSING OF THE DESJARDINS IBRIX CANADIAN EQUITY FOCUS FUND

Desjardins Investments Inc. (the “Manager”), as Manager of the Desjardins Funds, wishes to inform you that the Desjardins IBrix Canadian Equity Focus Fund (the “Fund”) will be closed.

The Manager is continually improving its product offering to ensure it meets investors’ needs and is adapted to financial market realities.

Considering the low net asset value and limited number of unitholders, the Manager has decided to close the Fund.

The Fund will cease trading on or about **March 8, 2019** (the “Closing Date”). **We encourage you to contact your representative before this date** in order to examine your options:

- 1. You may choose another of our Desjardins Funds or opt for another of our investment solutions.**
- 2. You may redeem your Fund units before the Closing Date.**

If you still hold Fund units on the Closing Date, the Manager will take the following measures:

- a) For non-registered accounts: the Manager will redeem your units and issue you a cheque for an amount equal to the unit redemption proceeds.
- b) For registered accounts: the Manager will substitute units of the Desjardins Money Market Fund for the units of the Fund that you hold, the whole in accordance with the Schedule, in order to prevent a withdrawal from your registered plan and any potential tax consequences.

Moreover, please note that a special distribution consisting of income and capital gains might be paid prior to the Closing Date.

## NO TRADING FEES

The Manager waives the right to collect any sales charges, switch fees or redemption fees in connection with Fund units that are redeemed or switched on the Closing Date.

## SUSPENSION OF THE SALE OF FUND UNITS

Since November 15, 2018, the Manager has suspended any additional investment in the Fund units, with the exception of investments made by periodic payments.

## INCOME TAX CONSIDERATIONS

- a) For non-registered accounts

When your units are redeemed, you will realize a capital gain if the redemption proceeds per unit are greater than the adjusted cost base of the unit, or a capital loss if the redemption proceeds per unit are lower than the adjusted cost base of the unit. This capital gain or capital loss should be taken into account when filing your tax return.

## NOTICE TO SECURITYHOLDERS

### b) For registered accounts

Because your units are held in a registered plan, you may switch your units without any tax consequences. Realized capital gains or losses will not be subject to income tax.

This summary is of a general nature only and is not exhaustive of all possible tax consequences. We recommend that you consult your tax advisor for advice regarding your own personal situation.
